To Whom It May Concern:

I have known Joan Yang for over 15 years. I was the Chief of Contracting at the Niagara Falls Air Reserve Station, NY. I am currently retired after 31 years of service.

Joan Yang is a very talented, ambitious and dedicated lady who has done very well in construction. She will be successful in all she attempts. Joan participated in the US Small Business Administration 8(a) Program and successfully completed all contracts under that program. Joan was very conscientious and accommodating and had good rapport with both the Contracting Office and the Engineering Office. She provides good estimates, worked in accordance with all federal regulations and completed projects in a timely manner. I would recommend Joan Yang of Rand & Jones Enterprises Co., Inc without hesitation.

Sincerely,
